Hi Karl,

Thank you for your response!

> I would like to see if I can connect you with someone from our firmware/software Engineering team. What days next week would you be available for a Teams session?

This would be great. My best availability is Tuesday, Thursday, or Friday after 11am central.

I have no additional questions at the moment, but please let me know if one of your colleagues can help with the remaining questions or would have time to meet with me.

Thanks again,

Justus Languell
